NEWSLETTER

February 2024

February is a busy month. This month, PPS will be engaging in various literacy challenges among staff and students. Staff and students will be challenged to respond to a piece of literature, use a word of the day, create a staff video of book recommendations, organize a school-wide fair where each door is decorated with a book theme, invite community members to read to classes, and take part in a school wide book swap.

On February 2nd, teachers engaged in active learning. Our teachers continued their work on literacy and numeracy instructional practices. To further support our school actions, aligned with our Assurance Plan, students from grades K-12 will engage in daily and weekly quick

writes, morphology lessons, and math talks. Our BTPS Innovation Coach supported teachers in this work over the past week.

On Friday, February 9th, PPS staff and students came together for a school wide assembly and cross-grade activity. We celebrated the belonging, perseverance and active learning that Panthers exhibited as we responded to the shifts in learning over the past few months. It was an amazing event. We are so proud of our Panthers!

PPS Sports Team

If you were on a PPS sports team that won a zone championship, or attended provincials, and could share information about the year and possibly players who competed, please contact Lauren Heck at lauren.heck@btps.ca. She is looking for information from 1980 onwards. Thank you in advance for your help!
